Divvun 2.2 with support for 64-bit Windows is available as of November 23, 2011. Support for InDesign CS4 and CS5 is under development, but isn't ready yet.

Warning:

If you have a Divvun 1.x version installed, you must uninstall the old version before installing the new. Here you find instructions for [Windows](#) and [MacOS X](#). Divvun 2.2 can be installed on top of any Divvun 2.x without uninstalling first.
